# Lina & Cayenne

I love the way Cayenne plays with me. There's no hesitation and no reservation. If I say I want my pussy licked, she'll lick it, and then some. And I like licking hers just as much. And when we start licking each other's pretty little backdoor buds, well, that's a sweet rush. But when we bring our fingers into play, that's a real girl party.

The continuing adventures of eight inches of horny human steel with a heart of pure lust.

## I, A PENIS (Part Deux)

The early morning light was just beginning to enter the room, making a halo around the woman's tits. She was lying on her back, sheets up only to her waist, and staring at the ceiling with teary eyes when she heard the knob to her bedroom door turning. A man tiptoed into the room.

"Where were you?" she asked. "We had a date last night."

"I had some trouble," the man replied. "I had no service so I couldn't even call you." He took-off his clothes and collapsed next to her on the bed.

"I missed you," she whispered, as she kissed his cheek.

"Why'd you miss me? Was it my good looks?"

"Uh, no," she admitted.

"He frowned. "My sense of humor?"

"No," she confessed. "Your jokes are never as funny as you think they are." She kissed his neck, then his shoulder. "Then why'd you miss me?"

"I missed your wonderful beautiful, sexy cock."

That limp little thing between the man's legs bobbed up at those words, filling and growing from tired two inches to a healthy half foot. "I love your dick," she said, and her tender fingers touched the shaft. The rod grew yet bigger in her hand and the woman bent down to kiss it. The cock's mushroom tip bulged red and proud as the lady's lips touched it. Kneeling over the man, she squeezed his dick and pressed it against one

of her ample breasts. The penis grew redder yet as it burrowed into her soft pale flesh.

The man had thought that he was too exhausted for sex but the lady and his cock were quickly changing his mind for him. He found himself taking the woman's head in his hands and moving it back toward his hard-on. She licked it and the opening at its tip seemed to squeeze a kiss back at her.

"Such a lovely cock," she purred, as she pressed her lips against the opening. The penis pressed back and fought through her lips to the little white teeth, which nibbled it gently. Beyond that was the warm agile tongue, which licked and caressed the cockhead. The rod slid along the root of the lady's mouth until the tip poked softly against the back of her throat. Her lips were now down near the base of the shaft. She swallowed and sucked, creating an on-off suction that made his meat throb. Meanwhile, she began to rub her pussy. In and out went her finger as the man's bulging hard-on moved in and out of her mouth. Soon her cunt was as wet as her mouth.

When she felt the man's prick fill with that final hardness she slid it out of her mouth and sat upright. The penis stretched upright too, reaching toward the mouth that had sucked it. "Oh, baby," she said, "I've waited all night for your lovely dick and I don't want us to come too soon."

"I'm tired," the man grumbled. "Too tired to wait

before I come in your face.” He touched her cheek and led her lips back down to his cock. She licked it, making it dance and jerk, before sucking it once again into her warm friendly mouth. The rod rode over her cushiony tongue and pressed sideways against the smooth insides of her cheeks. Repeatedly it bounced against

my feelings and urges to Jack, my so-called owner and he, thinking that he’s coming up with all these things in his brain, types it up. He does quite a lot of things, as a matter of fact, that I urge him to do.

The boss would never admit it, of course, but I practically run his life for him. If I didn’t push him

the tip of the penis until it could feel chills running along its shaft. Then the cock felt cum surging into its ducts. Onward it pressed, past the tongue and up against her throat, as it tightened to hold back the cum.

“Come all over me,” she moaned with the dick still in her mouth, and indeed the cock’s muscles could no longer hold it back. Out spurted jism onto her tongue and teeth as the man tried to pull out. She slurped at the juice as the prick popped out of her mouth and fell back against her face, spurting cream across her smooth cheek and into her curly hair. She moved her head around to get the rod back to her lips but the penis, with a life of its own, bounced over her pretty mouth and lodged against her nose, where it continued to shoot cum before spraying its last drops back in her open, waiting mouth.

“Oh, Jack,” she whispered while she licked the white stuff from the corner of her lips, “I just love your dick. That’s why I’m so nuts about you.”

That lady was right on target. Jack does have a beautiful rod, and I should know. I am Jack’s cock and I, a penis, am only expressing the plain truth when I tell you that women are indeed nuts about me.

Now some of you, especially the readers who read “I, A Penis” (Part I), may be wondering just how a penis is able to type up his adventures for a magazine. (It’s easy. Lots of cocks write for magazines. But seriously, it works in the following way: I communicate

and prod him and intrude on his tame, fearful thinking processes, the guy would probably never even get laid. Take the night he was late for his date with the blowjob lady, for example. He would have been there on time if I had not detained him. And, in retrospect, he ought to be damned grateful. Jack’s boss had sent him late that afternoon to do some repairs for a sorority house at the local college. After three hours of tinkering in the upstairs bathroom, however, my man still couldn’t figure out why the hot water in the girls’ shower was coming out through the cold water faucet. He was kneeling in one of the shower stalls and scratching his head when all of a sudden he heard a lot of noise out in the hall. Peeking out of the bathroom door he saw a sight that almost induced him to enroll in college.

Five or six sorority girls, most of whom were only half dressed, were standing in a circle watching two of their sisters slug it out with pillows. It was all in good fun. The bystanders and the two combatants were all laughing. At first the boss couldn’t get a good look at the two pillow slingers but he was getting an eyeful of their pals. Most of the girls had long blonde hair and no skirts. Maybe they were in the middle of dressing (or undressing) for their Friday night dates, but for whatever reason there were a lot of long, slim legs leading up to perfect buns in pink, yellow and baby-blue panties and thongs. They weren’t facing Jack,

but the absence of bra straps indicated that there was a lot of fine young tit hanging out there. Whenever one of the pillow fighters scored a good shot at the other, the onlookers clapped and jumped, their excited little buns tightening, loosening, and tightening inside those lucky undies.

After a few minutes the crowd swung around and my man got a better view of the contenders. They both had blonde, campus-queen hair like everyone else in the sorority, and gorgeous bodies. One wore panties and a bra while the other wore only a thong, and she had the biggest set of tits I'd ever seen on such a trim body. This chick was pounding the "panties chick" in the tits with a battery of overhand slings of the pillow and the panties chick was laughing too hard to effectively counter the blows.

One of the pillow swings came down in such a way as to push one half of the panty chick's bra under her

Thong chick yelled "enough!" and the other girls clapped. Panty girl dropped her pillow and helped her bareassed friend to her feet, at which time the thong slipped the rest of the way down her legs. "I think I'll need another shower now," she said with a laugh, and panty girl admitted that she'd need one too.

The girls returned to their rooms as the pillow fighters came toward the bathroom. Oh shit, Jack said to himself. They're gonna either call the cops or call the office and have me fired if they catch me hanging around here." He ducked back into the shower stall he'd been fixing (or not fixing), hoping that the girls might choose the other two stalls. One of the girls could, in fact, be heard walking into the other shower and turning on the water.

But as luck would have it, thong chick walked into Jack's stall. You should have seen the look on her face. Not that I did, of course; Jack had his jeans on. But

tit. Her breast was flushed red from the exertion and her bare nipple stood straight out as the other chick leaned back to blast the jug with the sack of down. Slap! went the pillow and the chick in the thong reached back for another shot.

The panty chick ducked as the pillow went flying over her head, stuck her free hand out toward her opponent's thong, and tugged it down over the thong chick's butt. That chick slipped and she dropped her pillow. Panty girl's weapon swung around and slapped against thong chick's buns, and the other girls shrieked as panty girl walloped thong chick again on her pretty pink cheeks. Thong chick, kneeling helplessly on the floor, tried to protect her butt by putting her hands over her ass, but panty girl seized the moment to slam the pillow into thong chick's unprotected tits.

somehow I can sense things like that, and this chick's face was evidently frozen in surprise. "Shhhh!" hissed my man. "Please don't scream or anything. I'm the repairman, I didn't mean to snoop, and I promise to get out of here just as soon as I can make a clean get-away."

Jack has since told his buddies that it was the pleading, honest look on his face that convinced the bareassed girl not to scream for help. But it wasn't that at all. The chick just happened to look down and see the big bulge I was making in my man's pants, and her heart melted. I could sense it. "Okay," she whispered, and then she smiled. And what a fine smile she had: laughing blue eyes, big dimples and gorgeous teeth framed by still-flushed lips.

"Let's kiss her!" I tried to tell the boss. "I want to

press up against that blonde pussy.” It was just inches from me; I could sense the heat and could practically smell it. “Mustn’t kiss her. Mustn’t touch her,” the boss’s brain was chanting. “Can’t risk getting fired. Can’t risk being late for my date.”

“Fuck your date! There’s cunt right here!” I signaled back.

But Jack was trying to ignore the urges he was feeling from me, the penis. So I did what had to be done. I swelled and grew, straining against his torturously tight jeans until they poked the girl’s warm pink belly. When the boss felt that, then I knew I’d won the argument. He bent down to kiss the girl and after a moment’s hesitation she stuck her tongue into his mouth. Jack’s groin crushed against her belly as his hands touched the smooth skin on her back. Then they slid down to cup her round red cheeks.

“Get me out of these fucking pants!” I raged. I strained and tugged as if I would tear a hole through the denim to get to that chick.

“What an incredibly huge bulge you have,” she marveled.

“Damn right!” I signaled. “Somebody get me out

as a pork roll. “May I kiss it?” she asked.

She didn’t have to ask. The chick knelt down and placed her soft wet lips over my head. I slid around her face as she licked and slurped all the way down the shaft, and then licked her way right back up to my sensitive opening. By then I was damned near a foot long.

The girl loved licking me too, for when she stood up I noticed that her snatch was already wet just from the thrill of having touched her mouth to my fine hard-on. I snuggled between her smooth thighs and nuzzled the lips of her cunt. She pressed her legs to my man’s legs and whispered things about how good his dick felt between her thighs. Jack put his hand on her ass again and with one finger poking up her butt he lifted her up against his body so he could suck a titty into his mouth.

Holding it firmly with his teeth so he wouldn’t lose it, he lowered her back down so that her snatch slipped right over me. Down, down she went as I slid deeper into her vagina and Jack’s finger slid farther up her ass. When the finger and I were both in each hole up to the hilt I could almost feel the finger back there. I also felt my head pushing the bounds of the girl’s cunt. She

of these fucking pants!”

Maybe the boss was still feeling indecisive or something, because I had to keep swelling and poking until I got the message across to the girl. Oh yes, I can do things like that. And sure enough, slender nimble fingers went skipping all over the crotch of Jack’s jeans until they found the zipper and gave it a tug. She dropped his jeans and underpants down to his feet and I flew out to freedom and glory.

“My God,” she muttered. “Your cock is so beautiful!” And I am. Raring to go I was, and long and thick

moaned, dribbled on my man’s shoulder, and came all over me as I shot wads of cum up her pussy.

Gently Jack lowered her to her feet, slowly removing his finger and patting her rump as I got small and retreated out of her with a little “pop!” They kissed and hugged for a while until all of a sudden there was a noise right outside our shower stall. “What on earth is going on in there?” someone asked. It was the panty chick, and when she pulled open the shower curtain she looked absolutely shocked.

“Are you crazy?!” she said to her friend. “The RA

will suspend you if she finds you up here with a guy. Besides, this guy looks like a jerk!”

Jack did look like a jerk. His undershirt was sticking out below his shirt and his pants hung around his shit-kicker shoes. But the girl sure didn’t look like any jerk. Her body was still covered with soap suds, bubbles dribbling down the insides of her well-shaped legs. Her nipples poked through the foam just enough for Jack to see that the breast that had been beaten with the pillow was still a bit redder than the other one.

“This guy is no jerk,” said the girl I’d just fucked. “Look at this.” She touched me, the penis, and with the touch of her hand and the sight of her skinny wet friend, I started to swell again. In 10 seconds flat I expanded to eight inches. Her friend was impressed.

“Can I touch it?” she asked. The boss looked indecisive again. Maybe he thought that the other girl’s feelings would be hurt if the panty girl started playing with me. But the thong chick answered for him and told her friend to go ahead and touch me.

Panty girl’s warm wet hand squeezed and stroked me so nicely that I could feel the blood pulsing through

he could hug her to him by her breasts and one of his hands slipped down to lather up her pussy. The labia swelled as his fingers flicked her soapy clit and I enjoyed squeezing up against her soapy smooth buns.

Then she leaned forward, arching her back so that her glistening ass faced upward, and I slipped between her soapy thighs and into her dripping cunt.

“It’s so long,” she gasped, which made me feel so proud that I could have practically poked my way out the other end. She rocked her ass against my good man’s lap and he squeezed it with one hand while tugging at it with the other until I felt myself filling with cum. She quivered and shook her hot cunt all around me while I exploded as if I hadn’t come for days. Cream ran down her lovely legs and with me still tucked in her snatch she lifted up one knee to lick my juice off her thigh.

“Now, what are we going to do about you?” she whispered, as she nibbled Jack’s ear. “The RA is camped down by the door and I doubt you’d want to drop 20 feet down from the second-floor window. So I’ll hide you in my room and you can spend the night with me. My girlfriend can visit us too, and you can

my shaft. And when she rubbed more warm lather into her hands and encased me in all those slimy smooth suds I felt I was in heaven. The thong chick smiled and slipped out of the shower stall, leaving her friend to caress me while the boss took off his clothes and kicked them outside the stall. Then he flipped the cold water faucet and, sure enough, warm water cascaded onto us all. Jack rubbed soap on the girl’s tits, causing the nipples to pop out erect, and he lathered her ass cheeks and the backs of her thighs.

She turned and pressed her back to Jack’s chest so

sneak out at dawn.”

So that’s what we did. I’ve told you all of this not to defend being late for the lovely woman who loves to lick me, but to make Jack realize women are wild about me. I mean, just as he was leaving the bathroom with two gorgeous girls, he looked back at the shower and muttered something really stupid about still having to fix the pipe.

“Honey,” said one of the girls, “your pipe is just fine with me!” Music to my ears. I, a penis, perked up once again.

I have a long standing relationship with my favorite glass dildo. I can't even remember how many times it's pleased my tight pussy. It's been more than a year now that my ex gave it to me to help spend the lonely nights while he was away. Little does he know it's all but replaced him.

## BREAKING AND ENTERING

"This is bullshit." Jack dropped off a stack of dirty plates. "No pay for an entire week! How the hell does he expect us to survive?"

My coworker had every right to be mad. Our boss was going on vacation next week, leaving us lowly flunkies in the lurch. The entire staff was pissed. Ours was a forced vacation, without pay.

Time off is great, sure, but only if you can afford it. And we couldn't afford it. Not by a long shot.

I made twelve bucks an hour washing dishes. I had no idea what Jack, the bus-boy, made. It couldn't have been much. His car was a total piece of shit—even worse than mine—and he was constantly complaining about money.

"I don't know what I'm going to do," Jack told me. "Hell, I won't even have enough to make the rent."

I loaded the plates onto a rack, gave them a good spraying, then slid the rack into the dishwasher. The machine came to life. It was an old machine, a noisy machine, making it difficult to carry on a conversation. Not that downtrodden Jack had anything more to say. He had already returned to the dining room to clear more tables. Poor Jack. I felt bad for the guy.

My situation wasn't quite as bad as his. I supplemented the restaurant gig with adjunct teaching at a nearby community college. My class met one night a week. They paid me peanuts. And I couldn't even get my peanuts until the end of the semester when I turned in my final grades. I don't know why I even bothered.

Well, that's not true. I know exactly why. Her name was Chrissy. She was my star student.

And the hottest piece of ass I had ever had.

I got off work later than usual that night. The restaurant had been busy. No doubt the wait staff had made a lot in tips. Of course this didn't stop them from voicing their displeasure over our mandatory vacation without pay. We all lived paycheck to paycheck.

Chrissy was curled up on the sofa reading when I got back

to the apartment. I had recently given her a key to the place. When she wasn't staying with me she lived with an older sister.

"You're late," Chrissy said by way of greeting.

"And tired," I told her, going straight to the bathroom to take a shower.

When I finished Chrissy was pulling a pizza out of the oven. It smelled great. We split the pie and drank a few beers and smoked a joint.

"Everything okay?" she asked.

Chrissy knew all about my upcoming week without pay. I was starting to sound like a broken record.

"Same old shit," I said.

She scooted closer to me on the sofa and placed her head on my shoulder. She smelled heavenly. All of eighteen, Chrissy was twelve years my junior. For my recent thirtieth birthday she had given me a signed copy of a book of poems by my favorite author. She was thoughtful and giving.

In more ways than one . . .

Determined to relieve my stress, she took my hand and led me to the bedroom. I was tired, yeah, but not that tired! Chrissy's lithe body never failed to vanquish my fatigue. She was my own little fountain of youth.

It didn't take her long to get me good and hard. Chrissy's blowjobs were spectacular. She was a classy gal, smart and well bred, a blueblood who had disappointed her parents by staying home and going to a community college instead of accepting offers from prestigious schools out of state. She did her own thing, and I liked that about her.

Among other things...

Chrissy withdrew her lips from my cock and replaced them with her hand. I lay there on the bed, a pillow propped behind my head, as she stroked me. Per her usual routine, Chrissy incorporated my balls, licking and sucking them like a good little teen slut.

Thus far she had remained clothed. Now she raised her head from my lap and shucked her scoop-neck tank top. She

had big tits for such a slender girl, firm half-melons capped with big brown nipples. She cupped them with her hands, bent her head forward, licked one nipple, then the other, putting on quite a show.

Chrissy finally lay on her back; raising her ass, she peeled a pair of boxer shorts from her legs. She didn't have an ounce of fat on her. A narrow strip of dark hair marked her cunt.

Chrissy licked her lips. "I'm ready to ride that hard cock."

I started to stroke myself, but Chrissy promptly pushed my hand aside. She grasped my member; her fingers were warm, though not nearly as warm as her pussy. Guiding my glans between her moist pink lips, she lowered her narrow hips, sinking lower and lower . . .

Properly impaled, she wasted little time before riding me in earnest. I lay there beneath her as she humped and pumped and pogoed. At one point Chrissy reached up and unclasped her hairclip, freeing long red locks which brushed the tops of her magnificent tits.

I moved with her, thrusting, but not for long before announcing my forthcoming explosion. I wasn't sure if Chrissy had come or not. Sometimes it was hard to tell. What I do know is that she dismounted and finished me with her mouth, sucking me with incredible suction until I shot my load into the back of her throat.

We lay there for a while, both contemplating a shower but too lazy to get out of bed. Finally I said, "What are you reading now?"

"For pleasure," she said, "or school?"

"I know what you're reading for school, Chrissy. I'm your teacher. Or have you forgotten?"

She laughed. "Well, when you came home I was reading for pleasure—a new crime novel."

"I'm listening."

"Yeah, okay, so it's about this getaway driver and a gang of crooks. The driver drives them all over the city while they pull different jobs--burglaries and break-ins and home invasions and all kinds of fucked up shit . . ."

"Sounds interesting," I told her, "but don't neglect your other reading. Remember, you have a test next week."

We finally showered and retired for the evening. But I had a hard time falling asleep. My brain wouldn't shut down. It was her damned book, I knew, the crime book.

"... burglaries and break-ins," Chrissy had said, her words becoming a mantra in my scheming mind.

Chrissy brought her car to a stop in the darkened cul-de-sac, turned off the engine, and killed the lights.

From my vantage point in the passenger seat I could see the boss's house; it was a nice house of the suburban cookie cutter variety. He wasn't super wealthy, my boss, but he certainly made a comfortable living.

Jack and I weren't expecting to get rich off this haul; we were, however, hoping to score enough to make up for our week without pay. Plus a little extra, I had told my coworker with a gleam in my eye, for mental anguish.

Jack was all for it. And Chrissy was too. Tonight's heist was an opportunity for her to mimic the protagonist in her book—Chrissy, getaway driver par excellence.

Now I turned to her and said, "Sit tight. This won't take long. We'll be back before you know it."

"And what if you're not?" she asked me. "What if something goes wrong in there?"

"You're thinking negative," Jack offered from the backseat. "Nothing will go wrong. Our boss is hundreds of miles away. The place is empty."

"He's right," I told Chrissy.

We exited the car, Jack and I, and walked up the street, keeping to the shadows as we approached the house. I had cased the property a few days prior; driving past the house slowly, I had identified a garage window as the best entry point. Turns out I was right.

Jack jimmied the window with a screwdriver. Next thing I knew we were climbing over the sill and dropping to the concrete floor below. The two-car garage was half full, the contours of a foreign roadster discernable in the cavernous gloom. The roadster belonged to my boss's wife. Kay rarely came to the restaurant, but when she did she always drove the speedy little car, typically with the top down and her blonde hair stuffed inside a baseball cap.

Jack said, "The moment of truth..."

He had a slightly harder time with the interior door, emitting a series of grunts before it finally yielded to his trusty screwdriver.

"We're in," he announced.

A blast of refreshingly cool air welcomed us as we crossed the threshold of a spacious kitchen. The house was quiet as a tomb. And why shouldn't it be? The boss was having the time of his life at some posh mountain resort. As for the wife—well, she had surely accompanied him.

Turns out I was wrong.

About the wife, anyway.

We had just entered the sunken living room in search of treasure when the lights came on. Jack and I froze, pinned to the hardwood floor like startled deer.

“Don’t fucking move,” Kay told us.

Framed in the hall entrance, she stood there in a short robe, one hand on the light switch, the other wielding what looked like a .32 automatic.

She appeared quite comfortable with the weapon; like she wouldn’t hesitate to use it. No stretch was needed to see her practicing at the local shooting range.

It didn’t take her long to recognize us. Recognition dawned on her face as she said, “I can’t believe you two . . . burglarizing your boss’s home while he’s away on vacation . . . that’s pretty low.”

Jack and I were speechless. There was nothing to say. We were fucked. Getting fired was the least of our problems. Jail loomed. Hard time. So much, I thought, for my fledgling teaching career.

I finally managed to speak.

“I guess the cops are on their way, huh?”

It stood to reason that she had called the police from her bedroom as soon as she heard us.

“Actually, no,” Kay replied.

Still aiming the gun, she joined us in the living room. My boss’s wife paced the floor in her bare feet, slowly, deliberately. She didn’t seem frightened in the least. To the contrary, she appeared amused by the whole thing. Studying her cunning features, I saw an opportunist in deep thought.

“I see no need to notify the authorities.” She lowered the gun, yet maintained a safe distance. “As long as you two are willing to work with me . . .”

“Come again?” Jack asked.

I was equally confused. Work with her? What in the hell was she talking about?

“My husband is a cheating louse,” Kay confessed. “He’s probably screwing his mistress even as we speak. Well, I have news for him. Two can play that game.”

Kay was exactly right. Two could play that game. But three was even better.

She hadn’t been wearing a stitch of clothes beneath her short robe. Our boss was a fool to cheat on his wife. Kay was a hot blonde MILF with huge tits and a tight apple ass to die for. She was also a dirty slut.

Having discarded our clothes with much haste, Jack and I proceeded to do her good and proper.

Kay reclined on the divan and spread her legs. Jack moved between her thighs and skewered her pussy. He humped and pumped like a madman. Standing there beside the fornicating couple, I tugged my tool, getting it good and hard and primed for Kay’s mouth.

She opened wide. Holding her head with both hands, I shoved my cock home. My swollen prick cap pressed the back of her throat. Still, Kay didn’t gag; she had amazing control of that particular reflex.

I thrust frenziedly, fucking her face in earnest. Her mouth was hot and wet and ravenous. Jack kept right on fucking her. Our threesome continued in this manner until we switched places. Now Jack reamed her face while I pounded her cunt. My coworker had stretched her out, sure, but she still felt fantastic. Be that as it may, I opted to finish in her other hole.

Kay moaned around Jack’s cock when I plundered her backdoor. This prompted him to fuck her mouth faster and harder.

Meanwhile, I screwed her delectable bum with everything I had; hers was an amazingly tight asshole.

“That’s it!” Jack grimaced. “Swallow it!”

Watching Kay ingest his load did the trick. I detonated inside her. My dick pulsed repeatedly, pumping her poop-er full of spunk, so much of the stuff that it leaked from her bunghole even after I had pulled out.

“What the hell took so long?” Chrissy, her hands on the wheel, was a nervous wreck. “I was worried sick.”

I slammed the passenger door.

“Shut up and drive.”

“Yeah,” Jack said from the backseat.

“Let’s get the fuck out of here.”

Chrissy keyed the ignition. “Is something wrong?” I said, “Calm down, Chrissy. Everything’s cool. It just took longer than expected. We found a nice stash of cash. Mission accomplished.”

Sympathetic to our financial woes, Kay had given us each a few hundred bucks. It would be enough to cover the rent, enough to make up for our week without pay.

Of course Chrissy didn’t know this. And I had no intention of telling her the truth. As far as she knew Jack and I had gone in there and stolen our boss blind.

Chrissy didn’t seem the jealous type. Still, I didn’t want to run the risk and possibly lose a good thing. She was smart. A hell of a good lay... And a pretty decent getaway driver!

I've been dying to have some new photos taken for my social media account and my photographer friend agreed to take them. After some wonderful head shots, I asked her to take some nudes of me that I could send to my new boyfriend. She told me the new headshots were for free, but the nudes would have to be very sexy. I couldn't wait to get totally naked for her!

There are days when it just pays to come to work. Like when this young stud comes in and I get to try and make a sale. There's nothing like making a big, raging cock feel better; and then that cock makes me feel better. I heartily suggest that if you have time to volunteer, do so. The pay ain't much, but the benefits can be quite large (pun intended).
